

# Philadelphia Fire Fighters and Paramedics Union Local 22

## Ultrasound Health Screening

As a result of our continued commitment to the health and wellness of our members, Philadelphia Fire Fighters and Paramedics Union Local 22 will be partnering with United Diagnostic Services to host a health screening event **Monday to Friday** May 5-23, 2025. This event will take place at:

**415 N. 5th St,  
Philadelphia, PA, 19123**

UDS will be conducting early detection diagnostic testing, which has proven successful in identifying actionable pathologies to improve overall health as well as early detection for cancer and cardiovascular issues. Early detection has had a significant impact on helping prevent and reverse potential future catastrophic events.

All tests are ultrasound based and therefore painless and non-invasive. Tests include an Echocardiogram, Carotid, Abdominal Aorta, Thyroid, Liver, Spleen, Gallbladder, Bladder, Kidney, and Testicular scan. This screening also includes an Exterior Pelvic scan for females. The examination will take approximately 30 min to complete.

*Fasting for at least 8 hours is required for the screening and you must pre-register to participate. Individuals are allowed to drink water during this period. About 1 ½ hours prior to appointment time, start to drink 32 ounces of water so bladder is full at the start of the exam. Be sure to use the email & phone number you'd like to receive updates when registering.*

**Pre-registration is required. To schedule your appointment:**
